

2018

Sign and return the entry form below by Friday, **April 13th**

Pickens County is sponsoring an elementary Math Bowl Competition to promote student interest in the area of Mathematics and to recognize outstanding achievement in the area of Math.

Pickens County Math Bowl Details

- Any K-5 student enrolled in the Pickens County school system can participate.
- The Math Bowl will be held on **Saturday, May 5th** at Hill City Elementary School from approximately 9am – 1 pm (Once your child is registered, you will receive additional instructions including the schedule and grade level competition details).
- All students who participate will receive a certificate. The top 3 participants for each grade level will receive a medal. The school with the most winners will become the “home” of the Math Bowl trophy for the next school year.
- There is no cost for the competition!

We look forward to seeing you May 5th at the 10th annual Math Bowl Competition
